

Ferris Family Story

This is how our journey started.

Wyatt Daniel Steven Ferris was born almost 7 weeks early, weighing in at four pounds six ounces. I was terrified as I was checking out of the hospital and Wyatt was put in the N.I.C.U., I was crying. The nurse asked me what was wrong, and I said, "We live in Mountain Home and it is a 100 mile round trip and we can't afford a hotel much less the gas to go back and forth every day." She told me about the Ronald McDonald House. She said it's a temporary home next to the hospital for families of hospitalized children.

I was really nervous checking in with you guys. We didn't know what to expect. I could not believe how warm and homelike the place was. We just wanted to say thank you so much and that we think about all of you every day. We can't keep in touch as much as we would like but we will write and send updates every chance we get. We are so grateful for everything. And will cherish all the memories and will appreciate every thing for the rest of our lives!

Thank you. Ryan, Pamela, Beverly, and Wyatt Ferris

It's been a little over a year since we stayed at your wonderful home. Here are some pictures to show you how we are doing. Wyatt weighted 4 pounds 6 ounces and he was the reason we were introduced to all of you wonderful and kind people. He now weighs 22 pounds and is 1 year old. The pictures are of him, when he was born and him now!
